Student CPD Grant Application Form

AIMS is offering Continuing Professional Development (CPD) Grants to Student Members to attend the AIMS National Scientific Meeting (NSM) from 16 – 18 September 2026.

Continuing Professional Development is essential for professionals especially in medical science where knowledge and practices are rapidly changing and advancing. These grants are offered to introduce students to the activities that contribute to CPD and to allow an opportunity to experience the profession you are preparing to enter.

Application Criteria:

- Applicants must demonstrate in a statement how they will benefit from AIMS support to attend the NSM.
- Successful applicants must be available to attend the 2026 meeting for which they made application (the prize is not transferable).
- Recipients of the 2026 Student CPD Grants for the NSM are expected to submit, within one month of the NSM, a short report (300 - 500 words) on their experience at the scientific meeting for possible publication on the AIMS website or other media.
- Grants are for complementary NSM Student registration (\$750). The grant does not provide for travel expenses.

Eligibility for Student CPD Grants:

- Student Members in their final year of study from AIMS Accredited Undergraduate and Postgraduate programs are eligible to apply.
- Applicants **must** have been a Student Member of AIMS for at least 6 months prior to the closing date for applications, or from the start of the current academic year.

Closing Date for Applications: 29 May 2026
